### Der Regenbogen - Naturschauspiel und Hoffnungszeichen!

„Alles wird gut...“ und „Du bist nicht allein“ – selbstgemalte Regenbogenbilder mit diesen Zeilen hängen zur Zeit in vielen Kinderzimmerfenstern in ganz Deutschland.

Als Hoffnungszeichen für andere Kinder in der Corona-Krise; darauf, dass hoffentlich bald alles wieder gut wird und sie alle wieder gemeinsam zur Schule und zum Kindergarten gehen und miteinander spielen können.

Unabhängig davon war und ist der Regenbogen ein starkes Symbol. Er ist ein faszinierendes, leicht vergängliches Naturschauspiel, das sofort gute Laune macht und einen immer wieder aufs Neue staunen lässt.

Kein Wunder also, dass der Regenbogen weltweit als tröst- und hoffnungsspendendes Zeichen eingesetzt wurde und wird – ob in Kombination mit dem Peace-Zeichen, als Erkennungszeichen der schwul-/lesbischen Szene, in dem Lied „Over the rainbow“... und nun eben auch jetzt, in Zeiten der Corona-Krise.

Und weil auch wir fest daran glauben, dass das Leben wieder bunt und farbenfroh wird, möchten wir das mit unserem Regenbogendesign zum Ausdruck bringen. Bleibt gesund, achtet auf euch und eure Mitmenschen, denkt positiv... und vergesst nicht, auch die kleinen schönen Dinge zu sehen.

*...alles wird gut!*

### The rainbow - natural spectacle and sign of hope!

„Everything will be fine...“ and „You are not alone“ - self-painted rainbow pictures with these lines are currently hanging in many children's room windows all over Germany.

As a sign of hope for other children in the Corona crisis; that everything will soon be okay again and that they can all go to school and kindergarten together again and play together.

Regardless of this, the rainbow was and is a strong symbol. It is a fascinating, easily perishable spectacle of nature that immediately puts you in a good mood and makes you marvel again and again.

No wonder that the rainbow was and is used worldwide as a sign of comfort and hope - whether in combination with the peace sign, as a distinctive sign of the gay/lesbian scene, in the song „Over the rainbow“... and now also now, in times of the Corona crisis.

And because we also firmly believe that life will become colourful and colourful again, we want to express this with our rainbow design. Stay healthy, take care of yourself and your fellow men, think positively... ..and don't forget to enjoy the little things

*.....everything will be fine!*

# XMAS SAYINGS | ART À LA CARD

## ART À LA CARD

Art à la Card – das sind die zwei Schwestern Bina und Annette Schumacher-Gebler, die im Oktober 2010 ihre Leidenschaft für Postkarten und schönes Papier zu ihrem Beruf gemacht haben. Und natürlich sind das auch ganz viele Mitarbeiter, die unser Team richtig rund machen.

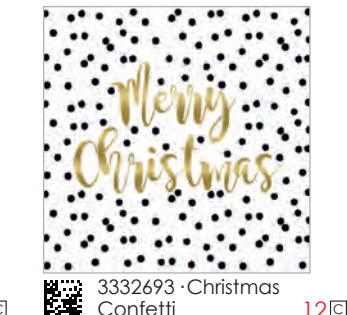

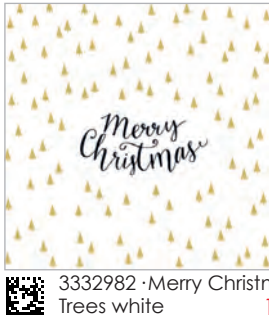

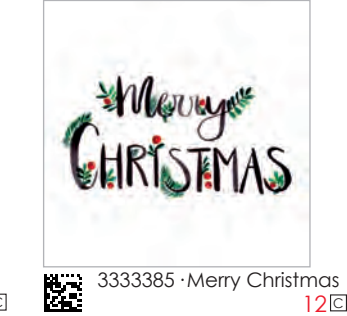

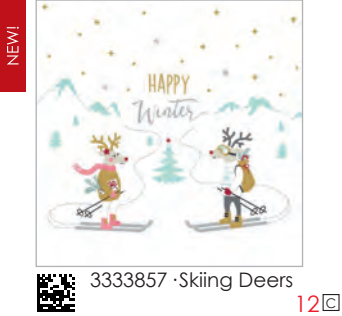

Seit den Anfängen sind viele Produkte hinzu gekommen. Neben Grußkarten und Geschenkanhängern gibt es faltbare Geschenkschachteln, feine Papiertüten, lustige Magnete, nachhaltige Spültücher und ein vielfältiges Weihnachtssortiment. Die Kollektion ist sehr klar und besticht durch reduziertes Design und geistreichen Wortwitz. Da steckt Liebe drin. Ganz bestimmt.

*Art à la Card - that's the two sisters Bina and Annette Schumacher-Gebler, who made their passion for postcards and beautiful paper their profession in October 2010. And, of course, there are also many employees who make our team really complete.*

*Since the beginning, many products have been added. In addition to greeting cards and gift tags, there are foldable gift boxes, fine paper bags, funny magnets, sustainable dishcloths and a diverse Christmas assortment. The collection is very clear and impresses with its reduced design and witty wordplay. There is love in it. For sure.*

# PPD TREND CONCEPT

OUR MOST POPULAR SHAPE ON NEW MUGS!

## VON DER TRENDMUG ZUR TRENDSERIE...

**Der Bestseller hat Zuwachs bekommen!**  
**Passend zu unserer beliebtesten Tasse gibt es jetzt, ganz neu und in Anlehnung an die Form der Trendmug konzipiert, Espresso- und Kaffeetassen sowie ein doppelwandiges Teeglas!**

### ppd TrendMug

Unsere meistverkaufte Tasse! Ob elegant mit echtem Silber oder Gold, grafischen Mustern, floralen Motiven oder coolen Sprüchen - die Tasse, in passend dekoriertes Geschenkbox, ist unser absoluter Bestseller!

### NEU! ppd LatteMacchiato-Glas

Der 0,4l fassende, doppelwandige Glasbecher ist aus hitzebeständigem Borosilikat-Glas und wie all unsere Produkte mit wunderschönen Motiven dekoriert. Und da diese sich auf der Außenseite der Glasinnenwand befinden, sind sie - zum Beispiel in der Spülmaschine - vor Kratzern oder Abrieb sicher!

### NEU! ppd TrendEspresso-Glas

Der kleine Zwillingbruder der Kaffeetasse macht das Trend-Trio aus Borosilikatglas komplett. Das doppelwandige Espressoglas hat ein Füllvolumen von 0,1l und fasst auch einen doppelten Espresso!

### ppd TrendGlass (z.B. für Kaffee & Tee)

Gradlinig und elegant wie die TrendMug hat die ppd-Trendglas mit Sicherheit auch das Zeug zum Lieblingsstück. Das doppelwandige Trinkglas fasst 0,3l und besteht aus hitzebeständigem Borosilikatglas.

## FROM TREND MUG TO TREND SERIES...

**Our bestseller has grown!**  
**Matching our most popular cup, there are now espresso and coffee cups as well as a double-walled tea glass, completely new and designed according to the shape of the trend mug!**

### ppd TrendMug

Our best selling cup! Whether elegant with real silver or gold, graphic patterns, floral motifs or cool sayings - the mug, in a suitably decorated gift box, is our absolute bestseller!

### NEW! ppd LatteMacchiato Glass

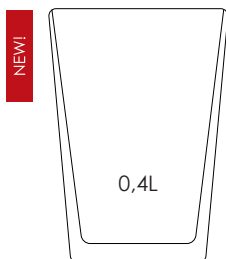

The 0.4l double-walled Latte Macchiato glass is made of heat-resistant borosilicate glass and, like all our products, is decorated with beautiful motifs. And as these are located on the outside of the inner glass wall, they are safe from scratches or abrasion - for example in the dishwasher!

### NEW! ppd TrendEspresso Glass

The little twin brother makes the trend line of borosilicate glass complete. The double-walled espresso glass has a filling volume of 0.1l and also holds a double espresso!

### ppd TrendCoffee (e.g. for coffee & tea)

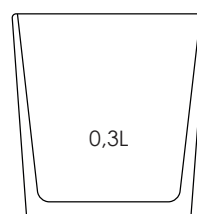

Straight-lined and elegant like the TrendMug, the ppd trend glass certainly has what it takes to be a favourite. The double-walled drinking glass holds 0.3l and is made of heat-resistant borosilicate glass.

# LATTE MACCHIATO GLASS

## 400 ML DOUBLEWALL BOROSILICATE GLASS

Unsere Trend-Serie ist noch nicht komplett vollständig, weshalb wir diese um ein Latte Macchiato Glas ergänzen. Das doppelwandige Glas fasst 0,4l und besteht wie das Trend Teeglas aus leichtem und stabilem Borosilikat-Glas. Durch das hitzebeständige Material eignen sich die Gläser perfekt für Heißgetränke. Da sich unsere schönen Design-Motive auf der Außenseite der Glasinnenwand befinden, sind sie – zum Beispiel in der Spülmaschine – vor Kratzern oder Abrieb sicher!

Our trend series is not yet complete, which is why we are adding a latte macchiato glass to it. The double-walled glass holds 0,4l and consists like the Trend tea glass of light and stable borosilicate glass. The heat-resistant material makes the glasses perfect for hot drinks. Because our beautiful design motifs are on the outside of the inner wall of the glass, they are safe from scratches or abrasion - for example in the dishwasher!

Alle Espresso-Lover aufgepasst! Es gibt eine neue Ergänzung in unserer Glaskollektion. Das doppelwandige Glas fasst 0,08l und passt somit auch für einen Espresso Doppio. Es besteht, wie die "größeren Geschwister", aus leichtem und stabilem Borosilikat-Glas. Durch das hitzebeständige Material eignen sich die Gläser perfekt für Heißgetränke und man verbrennt sich nicht die Finger, dank' doppelwandigem Material. Da sich unsere schönen Design-Motive auf der Außenseite der Glasinnenwand befinden, sind sie – zum Beispiel in der Spülmaschine – vor Kratzern oder Abrieb sicher!

Attention all espresso lovers! There is a new addition to our glass collection. The double-walled glass holds 0.08l and thus also holds an Espresso Doppio. Like its "bigger siblings", it is made of light and stable borosilicate glass. The heat-resistant material makes the glasses perfect for hot drinks and you won't burn your fingers, thanks to the double-walled material. As our beautiful design motifs are on the outside of the inner wall of the glass, they are safe from scratches or abrasion - for example in the dishwasher!

## UNSERE „2GO-STORY“

*Früher hat man seinen Kaffee im Café getrunken, ist zum Essen in ein Restaurant gegangen, hat Briefe mit der Hand geschrieben und mit der Post versendet und sich Zeit für jede Mahlzeit am Tag genommen.*

Das kommt einem heute zwar noch bekannt vor, jedoch geht vieles davon im Zeitalter des Smartphones und der 2Go-Kultur verloren. Das Konsumverhalten wird durch die sich ständig ändernden Lebensumstände beeinflusst.

Heute wird vieles unterwegs erledigt, da es einfacher ist und Zeit spart. Die täglichen Rituale zum allgemeinen Wohlbefinden rücken im Alltag in den Hintergrund. Mit unseren Produkten gehen wir auf die veränderten Gewohnheiten unserer Kunden ein.

Dank unserer Travel Mug Bamboo muss man nun nicht mehr auf seinen Kaffee am Morgen verzichten, das morgendliche Müsli oder Mittagessen kann man aus unserem Snack2Go Glass genießen und das Mittagessen für unterwegs ist in unserer stylischen Lunchbox aus Edelstahl gut aufgehoben.

Die Kombination von 2Go-Produkten mit modernem Design sorgt für einen mobilen Lifestyle.

## OUR „2GO-STORY“

*In the past, you drank your coffee in a café, went to a restaurant for dinner, wrote letters by hand and sent them by post, and took time for every meal of the day.*

That still seems familiar today, but much of it is lost in the age of smartphones and the "2Go culture". Consumer behaviour is influenced by the constantly changing living conditions.

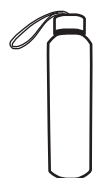

Today, a lot is done on the go because it is easier and saves time. The daily rituals for general well-being are relegated to the background in everyday life. With our products we respond to the changed habits of our customers.

Thanks to our Travel Mug Bamboo, you no longer have to do without your coffee in the morning, you can enjoy your morning cereal or your lunch from our Snack2Go Glass and your lunch on the go is in good hands in our stylish lunchbox stainless steel.

The combination of 2Go products with modern design creates a mobile lifestyle.

### Unterwegs mit Stil und gutem Gewissen!

Bei uns bedeutet 2Go nicht zwangsläufig mehr Müll. Wir entwickeln moderne, praktische und vor allem auch nachhaltigere Produkte, die mehrfach nutzbar sind. Mit diesen langlebigen Begleitern ist man für den Alltag gerüstet, ob im Büro, bei einem Ausflug, im Urlaub oder beim Sport.

### On the road with style and a clear conscience!

For us, 2Go does not necessarily mean more rubbish. We develop modern, practical and, above all, more sustainable products that can be used several times over. With these long-lasting companions you are prepared for everyday life, whether in the office, on a trip, on holiday or during sports.

# NACHHALTIGKEIT

SUSTAINABILITY

## NACHHALTIGKEIT!

### Wie stehen wir zu diesem Thema!?

**Unternehmen sollen etwas Gutes für die Umwelt tun?**

**Na klar!**

Aber das ist oft gar nicht so leicht wie es sich anhört. Aller Anfang ist schwer, aber wir versuchen uns Schritt für Schritt für die Umwelt einzusetzen.

Wir sind vielleicht noch nicht perfekt in dem was wir machen, aber wir versuchen etwas zu verändern und etwas Gutes für uns und unsere Umwelt zu tun.

Mit unseren Produkten möchten wir einen positiven Beitrag leisten – nachhaltigere Materialien und ressourcenschonend hergestellt. Wir kombinieren umweltfreundlichere und nachhaltige Produkte mit einem modernen Design. Ziel ist es, nachhaltigen und gewissenhaften Konsum zu einem Bestandteil jeder Gesellschaft machen und ihn nicht nur als eine zeitlich begrenzte Modeerscheinung wirken lassen.

**Wegwerfgesellschaft war gestern!**

Unsere Produkte bestehen aus einem robusten Material und sind dadurch langlebig. Mit unseren Produkten möchten wir die Menschen zum Nachdenken bringen. Unsere Mission lautet „Think about it.“ #wearethechange

**Entscheidet euch lieber für Mehrwegprodukte als für Einwegprodukte.**

Schon durch kleine Schritte kann jeder seinen eigenen Plastikverbrauch stark reduzieren und dabei Verpackungen sparen und Ressourcen schonen.

**SERVIETTEN – Made in Germany!**

Unsere Servietten sind „Made in Germany“. Die Produktion in Deutschland vermindert die Transportwege und kann somit aufgrund kürzerer Transportwege als CO<sub>2</sub>-sparende Maßnahme gesehen werden. Außerdem werden durch die Produktion in Deutschland Arbeitsplätze gesichert und es wird für eine regionale Verbundenheit gesorgt.

## SUSTAINABILITY!

### How do we feel about this subject?

**Companies should do something good for the environment?**

**Of course!**

*But that's often not as easy as it sounds. Every beginning is difficult, but we try to do something for the environment step by step.*

*We may not be perfect in what we do, but we try to change something and do something good for ourselves and our environment.*

*With our products we want to make a positive contribution - more sustainable materials and produced in a resource-saving way. We combine more environmentally friendly and sustainable products with a modern design. Our target is to make sustainable and conscientious consumption a part of every society and not just a temporary fad.*

**Disposable society was yesterday!**

*Our products are made of a robust material and are therefore durable. With our products we want to make people think. Our mission is "Think about it". #wearethechange*

**It is better to choose reusable products than disposable products.**

*Even by taking small steps, everyone can greatly reduce their own plastic consumption while saving packaging and resources.*

**NAPKINS – Made in Germany!**

Our napkins are „Made in Germany“. Production in Germany reduces transport distances and can therefore be seen as a CO<sub>2</sub>-saving measure due to shorter transport distances. In addition, production in Germany secures jobs and ensures regional solidarity.

## ART À LA CARD

Art à la Card – das sind die zwei Schwestern Bina und Annette Schumacher-Gebler, die im Oktober 2010 ihre Leidenschaft für Postkarten und schönes Papier zu ihrem Beruf gemacht haben. Und natürlich sind das auch ganz viele Mitarbeiter, die unser Team richtig rund machen. Seit den Anfängen sind viele Produkte hinzu gekommen. Neben Grußkarten und Geschenkanhängern gibt es faltbare Geschenkschachteln, feine Papiertüten, lustige Magnete, nachhaltige Spültücher und ein vielfältiges Weihnachtssortiment. Die Kollektion ist sehr klar und besticht durch reduziertes Design und geistreichen Wortwitz. Da steckt Liebe drin. Ganz bestimmt.

*Art à la Card - that's the two sisters Bina and Annette Schumacher-Gebler, who made their passion for postcards and beautiful paper their profession in October 2010. And, of course, there are also many employees who make our team really complete. Since the beginning, many products have been added. In addition to greeting cards and gift tags, there are foldable gift boxes, fine paper bags, funny magnets, sustainable dishcloths and a diverse Christmas assortment. The collection is very clear and impresses with its reduced design and witty wordplay. There is love in it. For sure.*

## MARINA BROCKHOFF

Soweit ich mich zurück erinnern kann, war das Zeichnen mein Ding. Ich hatte schon immer eine Leidenschaft für Tiere und Natur. Als Kind wollte ich Tierarzt oder Maler werden. Ich habe stattdessen eine Business School besucht, nachdem ich ein Veterinär- und Biologiestudium begonnen hatte. Nach meinem Master begann ich eine Karriere in einem Luxusgeschäft, die ich aufgab, um Illustratorin zu werden. Ich denke, ich brauchte diesen ungewöhnlichen Weg, um die Reife zu erlangen, die ich brauchte, um selbstbewusst genug zu sein, Künstlerin zu werden.

*As far back as I can remember, drawing was my thing. I have always been passionat about animals and nature. As a child, I wanted to become a vet or a painter. I did a business school instead, after having started a veterinary and a biology degree. After my Masters, I began a career in the luxury business, that I stopped to become an illustrator. I think I needed this time of discovery of our society, to get the maturity I needed to be confident enough to become an artist.*

## CAROLA PABST

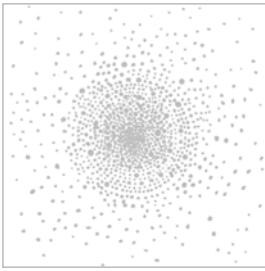

Im Studiengang Schmuck-Design erlernte sie neben dem Handwerk die unterschiedlichsten Techniken der zeichnerischen Gestaltung. Ihre Leidenschaft war geweckt und sie machte das Zeichnen zu ihrem Beruf. Seit 1996 arbeitet sie als freie Illustratorin in Heidelberg. Inzwischen findet man ihre Motive nicht nur im Papeterie-, sondern auch im Kalender-, Accessoires-, Porzellan- und Textilbereich.

*This led her to study jewelry design, a process through which she came to learn about not only the physical craft, but also the techniques involved in conceptual design. A passion for drawing was instilled in her as a result, and in 1996 she started drawing as a freelance illustrator based out of Heidelberg. Today her motifs are found not only on stationery, but also on calendars, textiles, porcelain and other accessories. [www.carolapabst.de](http://www.carolapabst.de)*

## ESTE MACLEOD

Die Bilder von Este MacLeod sind vom Realen und Imaginären geprägt. Ihr Hintergrund im Textil- und Keramikdesign zeigt sich in den stilisierten, reichhaltigen und farbenfrohen Formen, die in der Stilleben-, Landschafts- und Blumenmalerei verwendet werden. Obwohl die Formen verzerrt und verändert sind, gibt es ein starkes Gefühl für das Vertraute. Die Vielfalt der Techniken, mit denen Este Farben und Formen überlagert, verleiht ihrer Arbeit ein ätherisches Element.

*Este MacLeod's paintings are informed by the real and the imaginary. Her background in textile and ceramic design is noticeable in the stylised, abundant and colourful forms used in still life, landscape and floral paintings. Although shapes are distorted and altered, there is a strong sense of the familiar. The variety of techniques Este uses to layer colour and shapes adds an ethereal element to her work.*

# FORMART

## Zeit für Schönes!

Formart ist kein klassisch geplantes Projekt gewesen, sondern aus Nathalies Leidenschaft zur Typografie entstanden.

Die für den anfänglich privaten Gebrauch gestalteten typografischen Motive, kamen bei Familie und Freunden so gut an, dass sich Nathalie (35) zusammen mit ihrem Mann Balazs (36) dazu entschieden hat, ihre Leidenschaft zum Beruf zu machen.

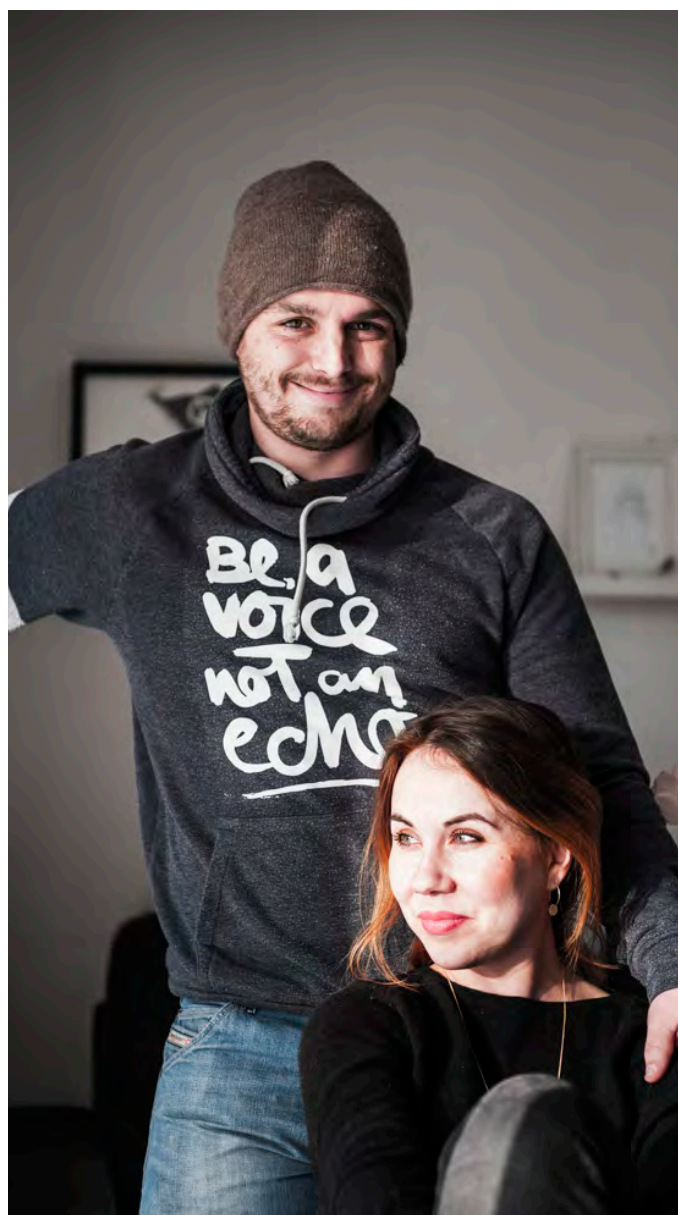

Mit zeitgemäßen Statements und Designs möchte Formart nicht nur das ästhetische Auge der Menschen berühren, sondern auch deren Herzen.

Das ist auch der Grund, warum wir zusammen mit Formart eine komplette Zwischenkollektion geplant haben.

Gemeinsam möchten wir den Menschen mit unseren Produkten ein lächeln auf die Lippen zaubern und mit den positiven Statements die Herzen berühren.

*„Mit Liebe zur Schrift und Begeisterung für gutes Design“*

## GLÜCKSKIND

Glückskind – der Name ist Programm. Und damit uns das Glück auch wirklich auf allen unseren Wegen begleitet, hat Designer Luca Bassi aus dem ppd Design-Team eine liebevolle, kleine Serie für unterwegs entworfen.

Im Müsli-to-go Becher werden Joghurt oder Milch getrennt von den knusprigen Haferflocken und Beeren aufbewahrt. So kann das Müsli erst kurz vor dem Verzehr appetitlich und frisch zubereitet werden. Der unverzichtbare Löffel findet in der Deckelhalterung praktische Aufbewahrung. Das ist die Frühstück-Version. Natürlich lässt sich der Becher auch mit Bulgur und knackigem Gemüse für eine gesunde Zwischenmahlzeit füllen.

Die Lunchbox ist groß genug für ein Pausenbrot oder ein leckeres Sandwich als Brotzeit. Die Box wird mit einer hygienischen Silikonbänderole sicher verschlossen.

Beim Trinkgefäß hat das Glückskind die Qual der Wahl zwischen dem trendigen Metal Mug und dem Bamboo Trend Mug oder der Porzellan-Tasse in New Bone China Qualität.

Founded in 2015 by graphic designer Ulla Klopff and artist Ute Baurecker, PABUKU - The Quirky Paperie is a greeting card label with the passionate mission to create high level greeting cards in a queer diverse context and to go for international distribution via brick and mortar retailers and selected online shops.

Was wäre das heutige Design ohne seine Wegbereiter verschiedenster Epochen? Ob Leonardo Da Vinci, Sandro Botticelli, Vincent van Gogh oder Claude Monet... jeder war ein herausragender Künstler seiner Zeit! Mit Originalen können wir natürlich leider nicht dienen, aber Kunst für den gedeckten (Künstler-)tisch, die haben wir!

*What would today's design be without its pioneers from various eras? Whether Leonardo Da Vinci, Sandro Botticelli, Vincent van Gogh or Claude Monet... everyone was an outstanding artist of his time! Of course we can't serve with originals, but we have art for the set (artist) table!*

## GRAFICHE TASSOTTI

Mit unserer Marke sind wir weltweit auf den führenden Lifestyle-Messen der Branche vertreten. Neben der Präsentation unserer eigenen Produkte, spüren unsere Trendscouts bereits die Trends für die nächste Saison auf. Dabei entstand unsere Kooperation mit der italienischen Druckerei Grafiche Tassotti, einem Familienunternehmen in der Nähe von Venedig/Italien.

Die Unternehmensgeschichte lässt sich bis ins 17. Jahrhundert zurückverfolgen und wie damals liegt auch heute der Schwerpunkt auf hochwertig bedruckten und handgefertigten Papiererzeugnissen, wie z.B. Kunstdrucke, Geschenkpapiere sowie Karten. Der bekannteste Druck ist das Florentiner Papier, welches durch sein einzigartiges Muster weltweit einen großen Bekanntheitsgrad genießt.

Wir haben diese künstlerischen Designs nun auf Porzellan, Glas und Stoff gebracht und Ihnen damit eine ganze Serie gewidmet, die Tradition, modernes Design und Funktion auf wundervolle Weise verbindet.

Weitere Informationen unter: [www.tassotti.it](http://www.tassotti.it)

With our brand we are presented at leading branch fairs worldwide. This way we do not only bring our own new products on the market but also our trend scouts can already spot the latest trends and styles for the next season... sometimes they are so enthusiastic about what they discover there that a cooperation can take place. On this way we have started our cooperation with the Italian printing company Grafiche Tassotti, a family-run business near Venice/Italy.

The history of this business can be traced back as far as the 17th century and the emphasis then, as well as now, has always been on high quality and handmade printed paper products, e.g. art prints, wrapping paper and cards. The most known print is the Florentine paper, which enjoys a high level of popularity worldwide due to its unique pattern.

We have now brought these artistic designs on porcelain, glass, and material and have dedicated a whole series to them. A series that unites tradition, modern design as well as function in an absolutely wonderful way.

VICKI  
SAWYER®

Spaß und Freude am Leben: Diese Dinge sind für die US-amerikanische Künstlerin Vicki Sawyer am wichtigsten. Bereits auf den ersten Blick kann man dies auch in ihren Designs wiederfinden. Fragt man sie nach ihrer Inspirationsquelle, so beschreibt Vicki Sawyer einen Spaziergang durch die Natur vor einigen Jahren.

**„Wenn Vögel Nester bauen können, dann könnten sie doch auch Hüte kreieren.“**

Diese Inspiration überträgt sie als Konzept auf ihre Designs – und bald schon reihten sich auch neben all den Vögeln andere Wesen und Kreaturen in die Kollektion ein. Vicki Sawyer möchte durch die Kunst das Gefühl von Frieden, Freude, Humor bis hin zur Lebendigkeit vermitteln.

*With just one glance at her paintings, anyone can see Vicki Sawyer's fun-loving personality and enthusiasm for life. When asked about her inspiration, Vicki recalls a nature walk several years ago where it occurred to her that*

***“if birds can build nests, then they can make hats too!”***

*This inspiration for her bird designs grew, and soon her work expanded to include a variety of other animals as well in paintings that reflect Vicki's desire to evoke feelings of peace, humor and joy in her vibrant and colorful artwork.*

## TWO CAN ART

Two Can Art ist die Zusammenarbeit der Designerin Patti Gay mit ihrem autistischen Sohn Noah. Aus Noah's gemalten Strukturen kreiert Patti Gay mithilfe von Photoshop verschiedene Bilder. Manche Designs enthalten 40 bis 50 Ebenen, die zusammen ein Bild ergeben. Die Kollektion umfasst eine Vielzahl an Designs (z.B. Tiere, Gemüse, Blumendesigns...).

*Two Can Art is a collaborative collection of work from artist Patti Gay and her son, Noah, who is autistic. In a two-step process, Patti takes colors and textures from Noah's finger paintings and then combines them into images herself, creating the wonderful characters and designs found in their collection. Sometimes there are 40 or 50 layers of texture pieced together to form the diverse images of animals, florals and vegetables found in their designs...*

## ART BY FAB FUNKY

Kelly Stevens-McLaughlan aus West Sussex (UK) ist das Gesicht hinter FabFunky. Sie lässt sich von ihrer Umgebung inspirieren und speichert alle Ideen und Fotos erstmal auf ihrem Handy ab. Kelly liebt Skurrielles und Tiere – wie man auch in ihren Kunstwerken auf den ersten Blick erkennen kann.

Außerdem sammelt Stevens-McLaughlan leidenschaftlich gerne alte Bücher und Illustrationen und so liegt es auf der Hand, dass sie ihre Leidenschaften miteinander kombiniert und auf Papier bringt.

*Kelly Stevens-McLaughlan from West Sussex (UK) is the artist and designer behind the FabFunky name. She finds inspiration all around her and taking pictures and typing ideas onto her phone. Kelly is a lover of the absurd and whimsical which she thinks comes across in her artworks, and, of course, a huge animal lover.*

*Kelly has also been a collector of old books and illustrations all of her life, so it's been a natural progression to start to combine this passion with her artwork. She adores using forgotten old books and bringing them back to life by putting images onto them.*

## SOPIE ADDE

Ich bin 48 Jahre alt. Ich lebe und arbeite in Frankreich, zwischen Paris und La Rochelle. Ich bin Illustratorin und Künstlerin. Ich habe Textilien, Papierprodukte, Tapeten und Kinderbuchillustrationen entworfen, sowie in der Werbung und als Innenarchitektin für Bars und Restaurants gearbeitet. Meine Ausstellungen waren in Paris, New York und Tokio. Ich verwende keinen Computer, sondern habe immer von Hand gezeichnet, gemalt und Kollagen gemacht. Meine Bilder erzählen Geschichten. Ich male, was ich sehe, irgendwie entwickeln sich immer bunte und freudige Geschichten daraus. Zuerst mache ich Kollagen und im Anschluss male ich darauf. Auf diese Weise entstehen die verschiedenen Ebenen, unterschiedliche Muster und Hintergründe. Diese Technik verleiht meinen Bildern eine gewisse Tiefenschärfe.

*I'm 48. I live and work in France, in between Paris and La Rochelle. I'm an illustrator and an artist. I've designed textile, paper goods, wallpapers, authored children's books as well as worked in advertising and as interior decorator for bars and restaurants. I have exhibited in Paris, New York and Tokyo. I have no use of a computer. I've always drawn, painted and do collages by hand. My paintings tell stories. I paint what I see, somehow it always translates into colourful and joyful stories. First I do collage and then I paint on top of it. This way, the different layers reveal different patterns and backgrounds. This technique gives my paintings a certain depth of field.*

## CHARLOTTE GALLOUX

Soweit ich mich zurück erinnern kann, war das Zeichnen mein Ding. Ich hatte schon immer eine Leidenschaft für Tiere und Natur. Als Kind wollte ich Tierarzt oder Maler werden. Ich habe stattdessen eine Business School besucht, nachdem ich ein Veterinär- und Biologiestudium begonnen hatte. Nach meinem Master begann ich eine Karriere in einem Luxusgeschäft, die ich aufgab, um Illustratorin zu werden. Ich denke, ich brauchte diesen ungewöhnlichen Weg, um die Reife zu erlangen, die ich brauchte, um selbstbewusst genug zu sein, Künstlerin zu werden.

*As far back as I can remember, drawing was my thing. I have always been passionate about animals and nature. As a child, I wanted to become a vet or a painter. I did a business school instead, after having started a veterinary and a biology degree. After my Masters, I began a career in the luxury business, that I stopped to become an illustrator. I think I needed this time of discovery of our society, to get the maturity I needed to be confident enough to become an artist.*

# Carola Pabst

DESIGN & ILLUSTRATION

Mein Name ist Carola Pabst und ich bin 1961 in Stade geboren. Heute lebe ich als freiberufliche Illustratorin mit Alfie und Minou, einer Savannah- und Toygerkatze in dem schönen Neckergemünd bei Heidelberg. Über mein Studium Schmuck-Design an der FH für Gestaltung Schwäbisch Gemünd, konnte ich meinen zeichnerischen Ambitionen eine Form geben, die im Laufe der Zeit in meine Laufbahn als freie Illustratorin mündete. Meine Neugier weckt in mir immer wieder das Bedürfnis, neue Wege zu gehen, zu experimentieren und Neues zu wagen.

# UTE KRAUSE

**ATELIER:** Paperproducts Design GmbH  
**INSTAGRAM:** create.workhard.havefun  
**MOTTO:** „escape the ordinary... “

**LOVES:** the north, road trips, her horse, wild scenery  
**HATES:** flying, crowds of people, talking too much  
**DREAMS OF:** a tour through the Lake District and an old Volvo Duett

Meine Designs entstehen auf vielfältige Weise. Manchmal ganz schnell und spontan aus einer verrückten Idee heraus... genauso aber auch als Ergebnis eines gezielten Briefings. Einen wirklichen Plan in meiner Arbeitsweise gibt es allerdings selten, aber das ist es vermutlich, was mich als kreativen Menschen ausmacht. Und dabei brauche ich auch nicht unbedingt einen Rechner, oft reichen ein schwarzer Filzstift, ein Blatt Papier und ein Stichwort. Zugute kommt mir immer, dass ich eigentlich „Handwerker“ bin, denn vor dem Designstudium stand die Ausbildung zum Steinmetz-/Steinbildhauer. Hier lernt man Ideen auf den Punkt zu bringen!

Inspiration finde ich übrigens überall. Meist bin ich mir dessen gar nicht bewusst, sondern speichere unterbewusst eine Idee, die bei Bedarf abgerufen wird. Das führt zwar oft zu mittelgroßem Durcheinander in meinem Kopf und ist für meine Mitmenschen bisweilen schwer nachvollziehbar... aber das Ergebnis zählt! Und meine Designs sind immer ein Teil dessen, was mich ausmacht. Wo „Ute!“ draufsteht, ist auch also auch immer „Ute“ drin - zB. bei „Beach“, „Into the wild“ usw...

*My designs are created in many different ways. Sometimes very quickly and spontaneously out of a crazy idea... but also as the result of a targeted briefing. There's rarely a real plan in my way of working, but that's probably what defines me as a creative person. And I don't necessarily need a computer, a black felt-tip pen, a piece of paper and a keyword are often enough. I always benefit from the fact that I am actually a „craftsman“, because before I studied design, I was trained as a stonemason/stone sculptor. Here you learn to get ideas to the point!*

*By the way, I find inspiration everywhere. Usually I am not even aware of it, but subconsciously store an idea, which is called up when needed. This often leads to medium sized confusion in my head and is sometimes difficult for my fellow men to understand... but the result counts! And my designs are always a part of what defines me. Wherever „Ute!“ is written on it, „Ute“ is also always in it. See „Beach“, „Into the wild“....*

## Colorbakery

Hinter Color Bakery stecken Glen und Mindy Sommers, ein Ehepaar aus Vermont, das die Kunst nicht als Arbeit sieht, sondern vielmehr als lebenserfüllende Aufgabe. Sie haben ihre Erfüllung darin gefunden, mit ihren Händen und saftigen Farben wundervolle Arbeiten zu schaffen und diese dann der Welt zu präsentieren. Die Illustrationen strahlen Fröhlichkeit, Motivation und Inspiration aus.

*Color Bakery is the artist- and design-team of Glen and Mindy Sommers, a married couple living in Vermont. Creating the artworks don't seem to be work for them, rather it is part of their life. They come to fulfillment designing beautiful art with their hands and luscious colors and present them to the world. Their illustrations show joy, motivation and inspiration.*
